Three Hamden-based businesses, the CT Hernia Center, the Bonadies Law Firm and Eastern Pulse Skate and Snowboard Shop donated new warm-up jackets to the HHS Boys Tennis Team this season giving the highly successful team a very polished and professional look. Coach Nils LeBlang and several of the team members were on hand to accept the donation. The businesses owners, lifelong Hamden residents and HHS alumni Dr. John Bonadies, Attorney Anthony Bonadies and businessman Anthony Pallotto have long been supporters of Hamden athletics and academics.
